

## UVM Cycling Club 24822

The colors on this proof are a representation of the colors that will be used during production of

your order. Due to the monitor and printer output

limitations it is not possible to get an exact match.

Color swatches are available upon request and are

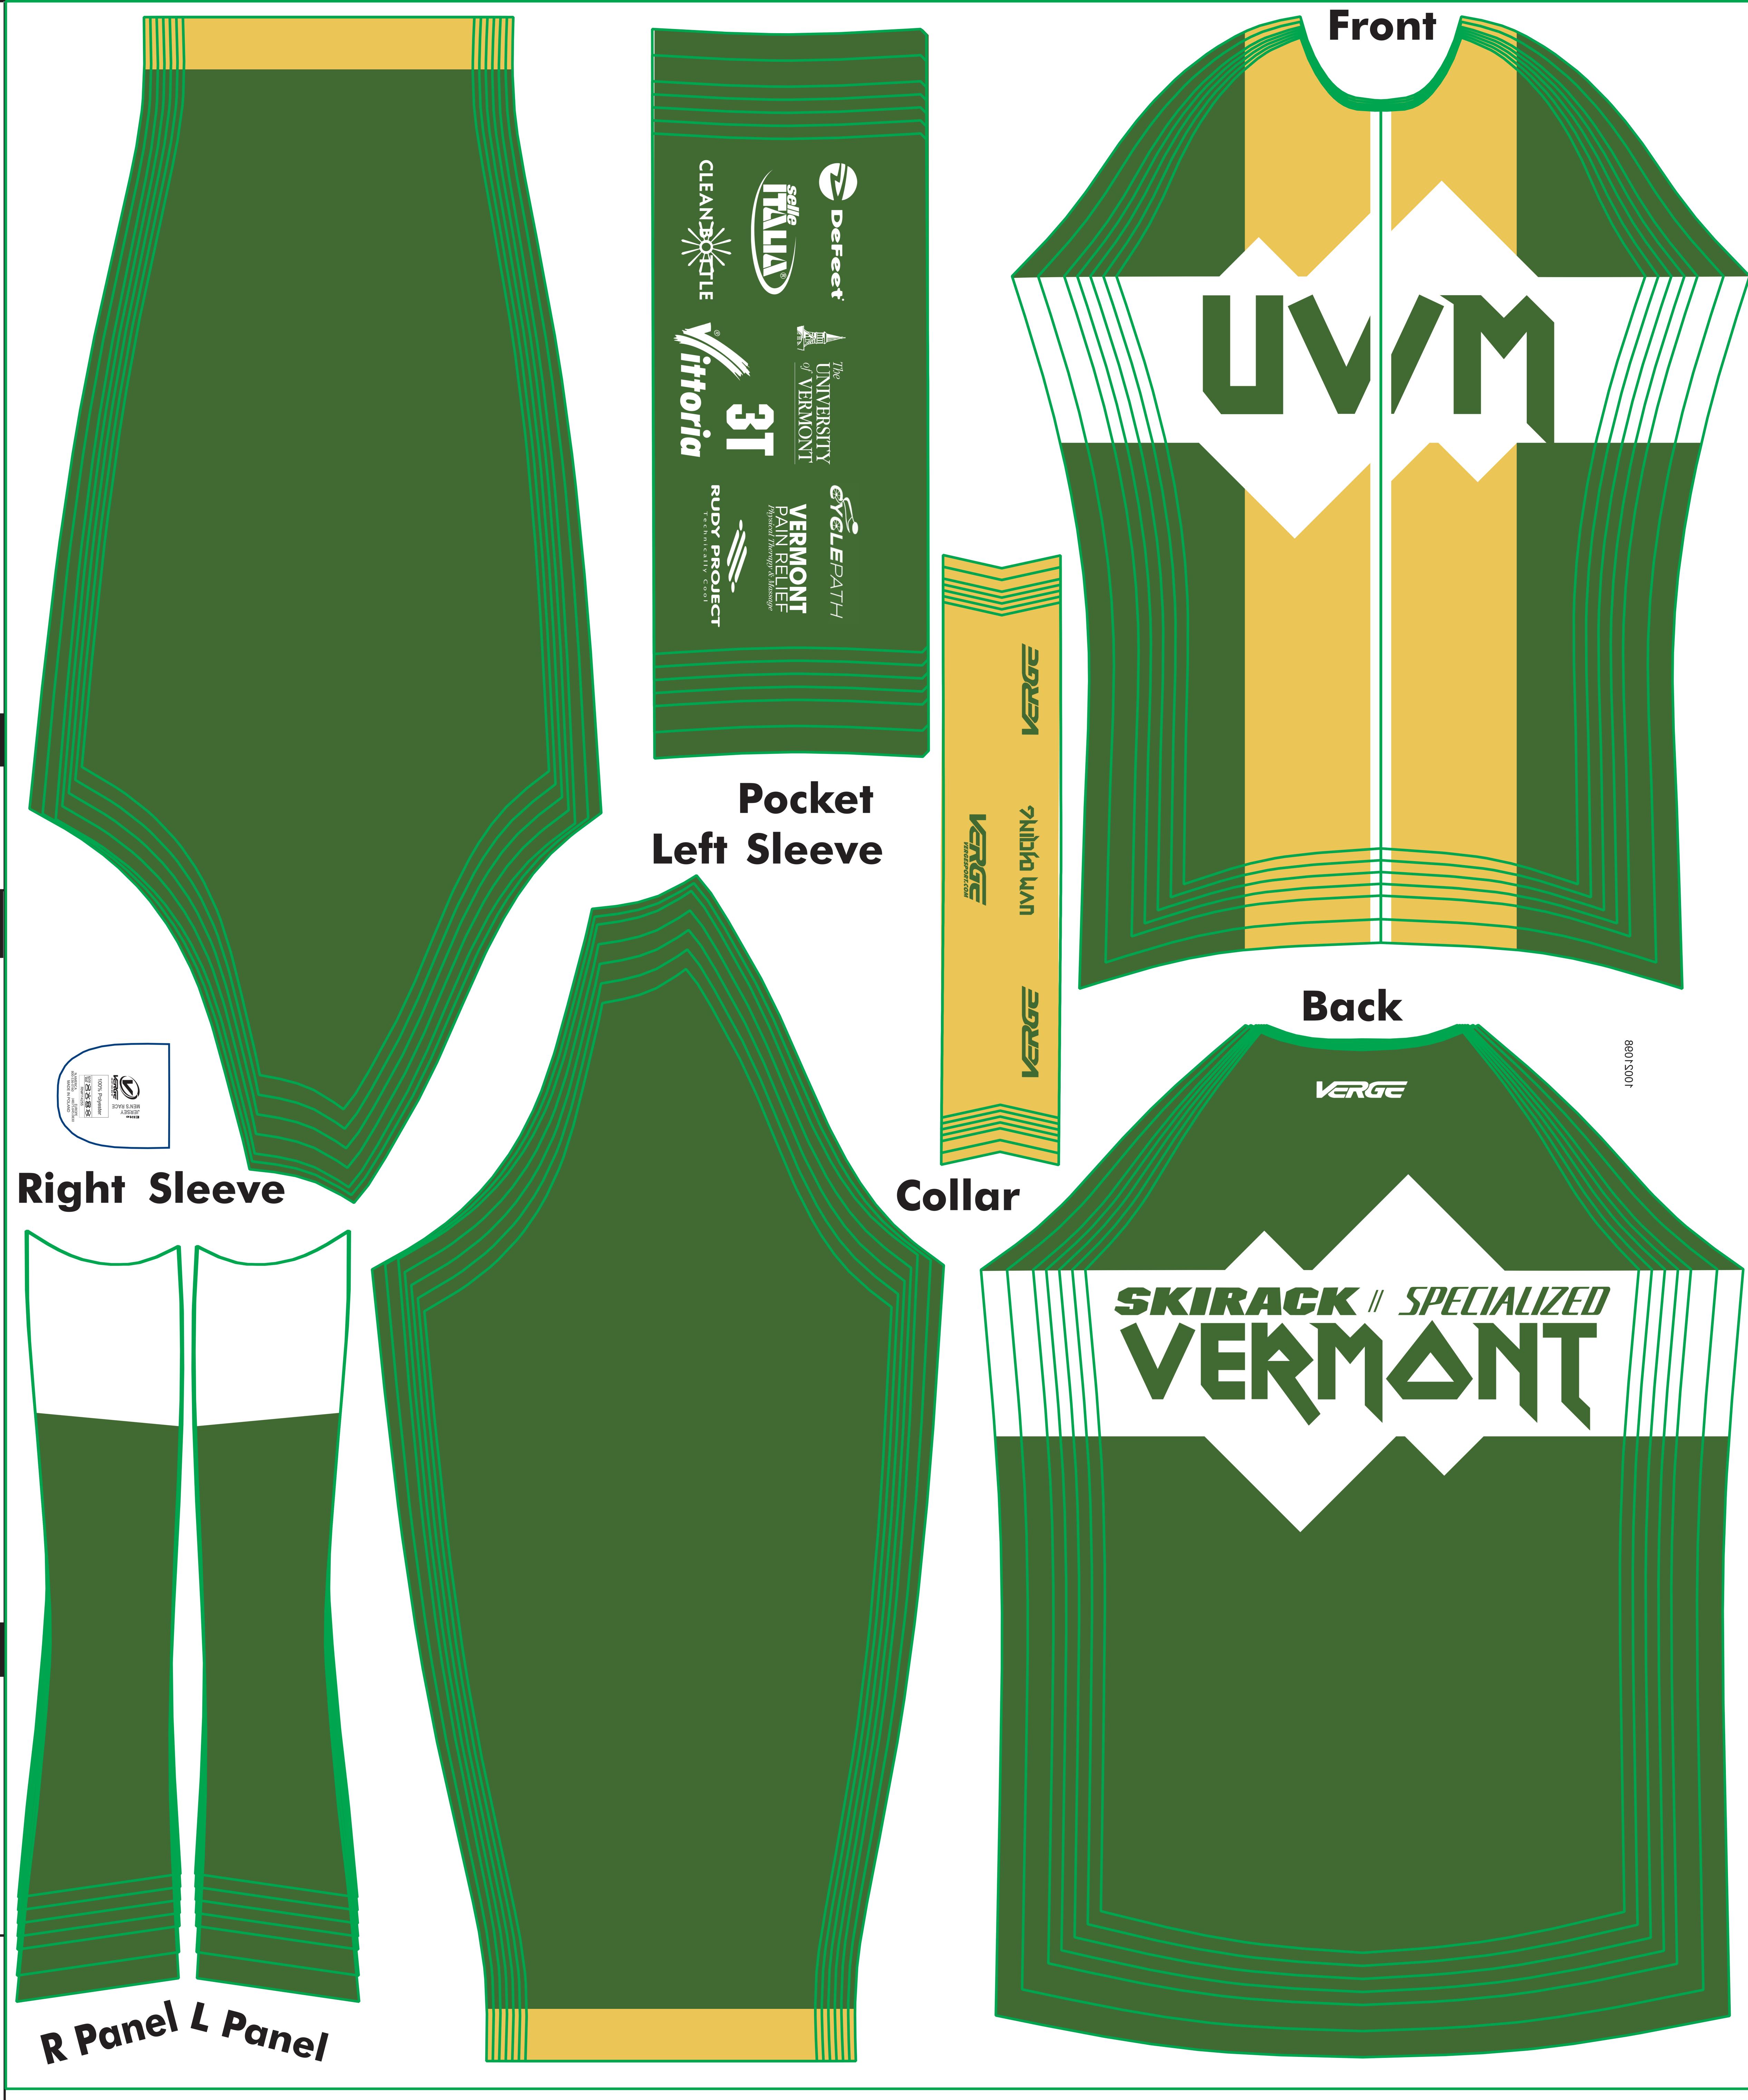

## MIXING COLORS

recommended for all customers.

Due to mixing of two colors a third color will be created. Customer is aware that Verge Sport does not warrant the outcome of the third color.

Customer acknowledges that they have permission from Companies/Colleges to use the logos shown on this proof and for production of the order.

The zippers on this proof are a close representation of how the zipper will affect the art work. Due to production variations it is not possible to get an exact view of how the art will be affected.
